PARENT TEACHERS ASSOCIATION

Parent Teacher Association of the College was formed and exist right from the beginning of the college since 1983- 84 for facilitating good rapport between parents and teachers for solving the problems of the College as well as students. This association is headed by the current Principal Dr Soumitran C.S. has Dr Bennett Atlin Correya as the secretary and Dr Sreehari as the treasurer. The administration of the PTA is directed by an executive committee comprising representatives of parents and teachers.

The Parent Teacher Association foster and promote a healthy relationship among the members of the teaching staff, the students and the guardians of students. It has been successful in bringing together the parents, teachers and students in order to strive for the development of the College. General body meetings which are well attended provide the parents an opportunity to meet the class teachers of their wards and discuss their academic performance.

PTA also holds executive committee meeting as and when needed. Every year during the admission time of the undergraduate and the postgraduates, a get-together of the parents and newly admitted students and the faculty members are conducted. In the meeting of the PTA, various issues of the students and the college is thoroughly discussed and addressed by the Principal and the authorities. The day-to-day problems of the students and personal issues raised by the members are discussed and amicable solutions are taken.

The association undertakes measures to prevent ragging, drug addictions and alcoholism among students. The PTA provides funds for various welfare activities in the campus. The association is reconstituted regularly with new members.
